

Body butter- skin protectant, prevents dryness, helps with eczema/psoriasis, promotes youthful appearance. *Apply liberally to skin. Use after shower for best results.*

Toothpaste- reduces plaque, whitens teeth, eliminates bad breath. *Wet toothbrush, dip toothbrush into toothpaste (pea-sized amount), brush teeth. Apply more toothpaste to brush tongue. Follow-up with Kween Kare mouthwash.*

Lip balm- hydrates lips, prevents cracking/peeling, smells delicious! *Apply anytime throughout the day. May also be used prior to lip gloss application to prevent excessive peeling.*

Sugar scrub- stimulates blood flow, reduces irritation due to shaving (pre-shave treatment), exfoliates skin, cleans nails. *Apply to damp skin on affected area. Rub in a circular motion until desired texture is reached. Rinse with warm water. Enjoy soft skin!*
